

We are seeking an Agriculturalist/Equipment Operator

Mission Statement: To provide unmatched agricultural expertise, the highest quality, most innovative products, and a tireless commitment to the success of our customers and employees.

Our Core Values:

- ***Uphold the History and Heritage of our company by honorably serving our customers and agriculture***
- ***Stewardship of company assets***
- ***Perform tasks with impeccable ethics, professionalism and service***
- ***Embrace the culture and behavioral safety by focusing on identifying risks and preventing incidents***

Do you want to work

...with a hard-working, dedicated, loyal team?

...a family owned business for close to 125 years?

...a company with industry competitive compensation and benefits and an achievable bonus program?

...a company that focuses on the employee success to enhance the customer experience?

If you possess the following skillsets and experience you should apply today!

- ***Must be aligned with our core values and fit our culture***
- ***Hard working***
- ***Reliable***
- ***Approachable & Social***
- ***Strong written and verbal skills***
- ***Self-starter***
- ***Motivated***
- ***Team player***
- ***Trustworthy***

Experience

- ***Farming***
- ***Operating Equipment***
- ***Basic mechanical skills and preventive maintenance skills***

In this role you will be expected to learn about our production operations and grow in knowledge of our processes.

If this appeals to you, don't wait to start that new career! One more day wasted is just that.

We are waiting on you, send your resume today. Please email resume to: Jamie@dillinghamhr.com
